
Rosters	S0: legacy eligible venues. SJ: S0 with joint-valid origins in the preferred lookup.
	SB: S0 with joint-valid origins in each lookup. SC: S0 with origins valid in both lookups.
Lookups	Preferred: tdw. Strict: strict. All rosters use available 2019 venues.
Origin masks	Own: valid separately for race and income. Joint: valid for both within the chosen lookup.
	Common: valid for race and income under both lookups. Retained origin weights are renormalized.
Scope	136 fixed category labels; all 66 coefficients, rounded to 0.01. Full eligibility key in the caption.
	Available-2019 support; not stable support or a repaired common-geography comparison.
